ONE TOUCH DISTRIBUTION

Effortlessly prepare consistent espresso shots with just one touch, making coffee preparation quicker and easier. With a single press, the Navigator brings reliability to every shot, letting you focus on the finer details of your craft.

UNLOCK YOUR GRINDER'S POTENTIAL

Upgrade your grinder – the Navigator elevates your grinder's performance by ensuring perfect distribution and declumping, even with older models. For a seamless in-line experience, pair it with our in-line kit, integrating effortlessly with your grinder to deliver consistent, precise distribution at every dose.

BOOST YOUR WORKFLOW

Enhance efficiency with seamless integration into your workflow, allowing for smoother and faster coffee preparation. Designed to keep up with the busiest baristas, the Navigator reduces downtime, maximizing productivity without compromising quality.

DESIGNED FOR BARISTAS

Purpose-built with baristas in mind, the Navigator reduces physical strain and keeps the focus on creating exceptional coffee experiences. Crafted for those who pour passion into every cup, it blends into your workflow, saving energy and preserving the ritual of coffee preparation.

FOR THE LOVE OF CRAFT

At PUQ, our core mission revolves around the barista. We actively listen to the market, crafting tools that support—not replace—the unique skills of coffee professionals. Our products are designed to empower baristas, enhancing their craft while taking care of the complexities of coffee preparation.

Master your craft, and transform every coffee interaction into an extraordinary experience.
