EDGE

CUTTING-EDGE The new Edge grinder on-demand offers the utmost efficiency in compact dimensions, making it a perfect coffee grinder for single origins, alternative blends, and for places with limited space.

STEADY LOCK GRINDER An essential step for a good extraction is finding the perfect grind: the steady lock grinder system ensures a constant distance between the burrs, keeping the grind size setting consistent under any working condition.

CRYSTAL CLEAR Clear characters with a white on black contrast simplify the barista's work, making the selection of settings fast and easy.
